

Poplarville Lower Elementary

SCHOOL SUPPLY LISTS for 2026-2027 School Year

- \$30 Total in Instructional Fees and Technology Usage/Insurance Fees (More detailed info coming closer to the start of the school year.)
- Items may need to be replaced as needed.
- Please label all supplies (except Kleenex, wipes, hand sanitizer, Ziploc bags, etc.) with your child's name.
- We are mindful of the amount of time students spend on computers. However, regular computer use is necessary each week for students to complete their individual learning paths and to participate in important assessments administered throughout the year. These assessments help determine whether students are performing at grade level and guide the interventions they may need. Headphones are essential during these activities, as they allow students to access audio support, which is provided for some instructional content and even certain test items. To help prevent the spread of germs and head lice, we limit the sharing of headphones.
- Please label your child's backpack, sweaters & jackets, lunchboxes, etc.
- No backpacks with wheels.
